MOVE FREE® Ultra - Type II Collagen + Boron + HA Tablets

1. Product and company identification

: Vitamins.

Product name	MOVE FREE® Ultra - Type II Collagen + Boron + HA Tablets
Distributed by	: Reckitt Benckiser LLC. Morris Corporate Center IV 399 Interpace Parkway (P.O. Box 225) Parsippany, New Jersey 07054-0225 +1 973 404 2600
Emergency telephone number (Medical)	: 1-800-338-6167
Emergency telephone number (Transport)	: 1-800-424-9300 (U.S. & Canada) CHEMTREC Outside U.S. and Canada (North America), call Chemtrec:703-527-3887
Website:	: http://www.rbnainfo.com

Product use

This SDS is designed for workplace employees, emergency personnel and for other conditions and situations where there is greater potential for large-scale or prolonged exposure, in accordance with the requirements of USDOL Occupational Safety and Health Administration.

This SDS is not applicable for consumer use of our products. For consumer use, all precautionary and first aid language is provided on the product label in accordance with the applicable government regulations, and shown in Section 15 of this SDS.

SDS #	1	D8226908 v4.0
Formulation #:	:	FF8131518 v2.0

(D8226908) US

2. Hazards identification						
Classification of the substance or mixture	: Not classified					
GHS label elements						
Hazard pictograms	: Not applicable.					
Signal word	: No signal word.					
Hazard statements	: No known significant effects or critical hazards.					
Precautionary statements	<u>S</u>					
General	: Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand.					
Prevention	: Not applicable.					
Response	: Not applicable.					
Storage	: Not applicable.					
Code # : FF8131518	SDS # : D8226908 v4.0 Date of issue : 21/09/2018 1/11					

2. Hazards identification

Disposal	: Not applicable.
Supplemental label elements	: None known.
Hazards not otherwise classified	: None known.

3. Composition/information on ingredients

Substance/mixture : Mixture		
Ingredient name	%	CAS number
potassium chloride Boron Glycinate		7447-40-7 45172-87-0

Any concentration shown as a range is to protect confidentiality or is due to batch variation.

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section.

4. First aid measures Description of necessary first aid measures Eye contact : Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Get medical attention if irritation occurs. Inhalation : Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if symptoms occur. In case of inhalation of decomposition products in a fire, symptoms may be delayed. The exposed person may need to be kept under medical surveillance for 48 hours.

Skin contact	: Flush contaminated skin with plenty of water. Remove contaminated clothing and shoes. Get medical attention if symptoms occur.
Ingention	. Weah out mouth with water. Domove vietim to fresh air and keen at rest in a positiv

Ingestion : Wash out mouth with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

Most important symptoms/effects, acute and delayed Potential acute health effects Eye contact : No known significant effects or critical hazards. Inhalation : No known significant effects or critical hazards. Skin contact : No known significant effects or critical hazards. Ingestion : No known significant effects or critical hazards. Over-exposure signs/symptoms Eye contact : No specific data. Indelation : No specific data. Interact

Inhalation	: No specific data.
Skin contact	: No specific data.
Ingestion	: No specific data.

Indication of immediate medical attention and special treatment needed, if necessary						
Notes to	o physician		alation of decompositic person may need to be			
Code #	: FF8131518 (D8226908) US	SDS #	: D8226908 v4.0	Date of issue	: 21/09/2018	2/11

4. First aid measures

Specific treatments : No specific

Protection of first-aiders

: No specific treatment.

: No action shall be taken involving any personal risk or without suitable training.

See toxicological information (Section 11)

5. Fire-fighting measures Extinguishing media Suitable extinguishing : Use an extinguishing agent suitable for the surrounding fire. media Unsuitable extinguishing : None known. media Specific hazards arising : No specific fire or explosion hazard. from the chemical Hazardous thermal : Decomposition products may include the following materials: decomposition products carbon dioxide carbon monoxide nitrogen oxides halogenated compounds metal oxide/oxides **Special protective actions** : Promptly isolate the scene by removing all persons from the vicinity of the incident if for fire-fighters there is a fire. No action shall be taken involving any personal risk or without suitable training. **Special protective** : Fire-fighters should wear appropriate protective equipment and self-contained breathing equipment for fire-fighters apparatus (SCBA) with a full face-piece operated in positive pressure mode.

6. Accidental release measures

(D8226908) US

Personal precautions, protec	<u>tiv</u>	e equipment and emergency procedures			
For non-emergency personnel	:	No action shall be taken involving any personal risk or without suitable training. Evacuate surrounding areas. Keep unnecessary and unprotected personnel from entering. Do not touch or walk through spilled material. Put on appropriate personal protective equipment.			
For emergency responders	:	If specialized clothing is required to deal with the spillage, take note of any information in Section 8 on suitable and unsuitable materials. See also the information in "For non-emergency personnel".			
Environmental precautions		: Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, soil or air).			
Methods and materials for co	π	anment and cleaning up			
Small spill	:	Move containers from spill area. Vacuum or sweep up material and place in a designated, labeled waste container. Dispose of via a licensed waste disposal contractor.			
Large spill	: Move containers from spill area. Prevent entry into sewers, water courses, basements or confined areas. Vacuum or sweep up material and place in a designated, labeled waste container. Dispose of via a licensed waste disposal contractor. Note: see Section 1 for emergency contact information and Section 13 for waste disposal.				
Code # : FF8131518		SDS # : D8226908 v4.0 Date of issue : 21/09/2018 3/11			

7. Handling and storage

Precautions for safe handling

Protective measures	1	Put on appropriate personal protective equipment (see Section 8)	

Conditions for safe storage, including any incompatibilities incompatibilities

8. Exposure controls/personal protection

<u>Control</u>		
Occupational exposure lin	<u>à</u>	
Not applicable.		
Appropriate engineering controls	: Good general ventilation should be sufficient to control worker exposure to airbo contaminants.	orne
Environmental exposure controls	: Emissions from ventilation or work process equipment should be checked to en they comply with the requirements of environmental protection legislation. In so cases, fume scrubbers, filters or engineering modifications to the process equip will be necessary to reduce emissions to acceptable levels.	ome
Individual protection meas	<u>s</u>	
Hygiene measures	: Wash hands, forearms and face thoroughly after handling chemical products, be eating, smoking and using the lavatory and at the end of the working period. Appropriate techniques should be used to remove potentially contaminated cloth Wash contaminated clothing before reusing. Ensure that eyewash stations and showers are close to the workstation location.	hing.
Eye/face protection	: Safety eyewear complying with an approved standard should be used when a ris assessment indicates this is necessary to avoid exposure to liquid splashes, mis gases or dusts. If contact is possible, the following protection should be worn, u the assessment indicates a higher degree of protection: safety glasses with sid- shields.	sts, unless
Skin protection		
Hand protection	: Chemical-resistant, impervious gloves complying with an approved standard sho worn at all times when handling chemical products if a risk assessment indicate necessary.	
Body protection	: Personal protective equipment for the body should be selected based on the tas performed and the risks involved and should be approved by a specialist before handling this product.	
Other skin protection	: Appropriate footwear and any additional skin protection measures should be sel based on the task being performed and the risks involved and should be approv specialist before handling this product.	
Respiratory protection	: Based on the hazard and potential for exposure, select a respirator that meets the appropriate standard or certification. Respirators must be used according to a respiratory protection program to ensure proper fitting, training, and other import aspects of use.	

9. Physical and chemical properties

Appearance

Physical state	Solid. [C	aplet]
Color		ent coated tablet and off-white core
Odor	Not avai	lable.
Odor threshold	Not avai	lable.
рН	Not avai	lable.
Melting point	Not avai	lable.
Boiling point	Not avai	lable.
Flash point	Not avai	lable.
Evaporation rate	Not avai	lable.
Flammability (solid, gas)	Not avai	lable.
Lower and upper explosive (flammable) limits	Not avai	lable.
Vapor pressure	Not avai	lable.
Vapor density	Not avai	lable.
Relative density	Not avai	lable.
Solubility	Not avai	lable.
Partition coefficient: n- octanol/water	Not avai	lable.
Auto-ignition temperature	Not avai	lable.
Decomposition temperature	Not avai	lable.
Viscosity	Not avai	lable.
Flow time (ISO 2431)	Not avai	lable.

10. Stability and reactivity

Reactivity	: No specific test data related to reactivity available for this product or its ingredients.
Chemical stability	: The product is stable.
Possibility of hazardous reactions	: Under normal conditions of storage and use, hazardous reactions will not occur.
Conditions to avoid	: No specific data.
Incompatible materials	: No specific data.
Hazardous decomposition products	: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

11. Toxicological information

Information on toxicological effects

Acute toxicity

Product/ingredient name	Result	Species	Dose	Exposure
potassium chloride	LD50 Oral	Rat	2600 mg/kg	-

Conclusion/Summary : Based on available data, the classification criteria are not met.

12. Ecological information

Not available.

Bioaccumulative potential

Not available.

<u>Mobility in soil</u>	
Soil/water partition coefficient (Koc)	: Not available.

Other adverse effects : No known significant effects or critical hazards.

13. Disposal considerations

Disposal methods : The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Waste should not be disposed of untreated to the sewer unless fully compliant with the requirements of all authorities with jurisdiction. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way. Empty containers or liners may retain some product residues. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.
